

ALABAMA DEPARTMENT OF PUBLIC SAFETY
offers
Sudden Unexplained Infant Death Investigation Training

The Alabama Sudden Unexplained Infant Death (SUID) Investigation Team proudly offers an 8 hour course on the new CDC SUID Investigation Techniques. The course will cover general information on SUID, infant development, Interview and Investigation Techniques with emphasis on Photography and Doll Reenactment. The course will include hands on interview, photography, and reenactment sessions. Target audience includes Law Enforcement, Coroners, District Attorney's Office, Pediatric health care professionals, professional caregivers, and child advocates.

The Alabama Criminal Justice Training Center in Selma is sponsoring six training sessions in 2009. Classes will be held on March 12th, April 9th, June 18th, August 6th, October 15th, and December 3rd, 2009.

The course will be free of charge. Participants are responsible for meals and lodging. If a participant wishes to utilize the Training Academy's dining hall or dormitory, arrangements will need to be made in advance.

Class size is limited to 15. Participants are encouraged to bring digital cameras.

CEUs: APOST, Alabama Coroners' Association, District Attorney Association, Nurses and Social Workers (8 hours).
